

ENVIRONMENTAL POLICY

As Managers of dynamically positioned and anchored semisubmersible floatels we provide offshore accommodation and operational services to oil platforms. This Policy applies to all activities and services provided by OOS International BV.

This Environmental Policy describes how OOS International BV. takes the necessary measurements in order to protect the environment of the Earth and minimize our footprint. It is of importance that we ALL strive for a healthy, clean and safety environment.

Its our goal to have ZERO (0) ENVIRONMENTAL INCIDENTS.

OOS International will implement its environmental management system with the commitment of the Management and all employees and aims to prevent pollution through training, awareness, maintenance and appropriate emergency response systems.

We will keep our environmental management system regularly updated, applicable and understandable to the whole organisation, ashore and on board the vessels.

We will measure our environmental performance and strive for continuous improvement.

To minimize environmental impacts concerning our activities, products and services, we shall;

- Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its environmental aspects.
- Minimizing Physical damage to the environment and the disruption to flora and fauna.
- Prevent pollution, reduce waste and minimize the consumption of resources.
- Use environmentally friendly materials and products where available and reasonably practicable.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.
- Encourage environmental protection among suppliers and subcontractors.
- To identify job and area hazards and determine the risks associated with those hazards and create appropriate controls in order to eliminate, lower or maintain the risks at an acceptable level to prevent the harm to our employees.

This Policy will be communicated to ALL staff, contractors and suppliers, and be available for the public.
