Offshore Physical Education Instructor

Location: Brasil | Position Level: Experienced

Publication date: 11-10-2019

Position

Are you knowledgeable and passionate about physical health and are you eager to pass on your knowledge to your colleagues? Then you might be the Physical Education Instructor we are looking for!

In this position, you will act as a physical education instructor at the gyms of our Offshore unit. You must have experience in physical assessments, as your daily tasks include:

➢ Indicating activities to be performed based on the physical assessments;
➢ Elaboration and promotion of lectures to encourage physical activity among other activities of the area;
➢ Carrying the responsibility for the correct use, condition and storage of the equipment of the academies.

Requirements

➢ Permanent resident of Brasil;
➢ Living in the state of Rio de Janeiro;
➢ Willing to commit to a 14x14 Offshore work schedule;
➢ A degree in Physical Education (with CREF in date);
➢ CBSP – Platform Safety Training;
➢ Security Awareness for Seafarers;
➢ Advanced knowledge of the English Language;
➢ Offshore experience (or working at remote locations) is preferred!

The organisation

Working for OOS means being part of a growing and dynamic organisation. Our dedicated team consists of a mix of young and experienced professionals, who are working together in a lean organisation. We continuously invest in the development of our employees by supporting their personal growth.

Additional Information
