

## Crew Coordinator (fulltime)

Location: Serooskerke (Walcheren)

March 2023

### Job Description

Are you passionate about crewing and enjoy working on complex worldwide projects in the Oil & Gas industry? Do you love to work in a dedicated and dynamic team striving for the best results? Then you might be the Crew Coordinator we are looking for and we encourage you to apply for this job.

In this position you will be responsible for coordinating an effective and efficient crew supply service to the offshore units and shore-based departments of the local OOS entity. You ensure that the crew arrives on time with all necessary documentation for the unit(s).

You will be expected to work proactively and deliver a seamless quality crewing and crew logistic services, and coordinate any training, promotions, rescheduling, and/or replacements of the crew members.

### Job Requirements

- Degree in personnel logistics (not required if you have sufficient experience in a comparable position).
- Good communication skills in English (oral and written).
- Minimum 2 years' experience in a similar job.

### What can we offer you?

OOS International offers a high level international work environment with exciting challenges for students, young professionals and experienced people passionate about the offshore oil and gas and renewable energy industry. Working for OOS International means being part of a dedicated team where every member strives for the best team results.
