

Purchaser (fulltime)

Location: Serooskerke (Walcheren)

March 2023

Job Description

Are you passionate about purchasing and enjoy working on complex worldwide projects in the Oil & Gas industry? Do you love to work in a dedicated and dynamic team striving for the best results? Then you might be the Purchaser we are looking for and we encourage you to apply for this job.

In this position you will purchase goods and services for the assigned vessel(s) and shore base, identify and evaluate local vendors, develop or review vendor contracts and make recommendations accordingly, for approvals. As part of the position, you will be accountable for the execution and continuous improvement of the procure-to-pay process using TM Master.

Job Requirements

- Related degree (not required if you have sufficient experience in a comparable position).
- Good communication skills in English (oral and written).
- Minimum 5 years' experience in a similar job, preferable in drilling.
- Knowledge of marine / technical equipment and related logistics management gained within the international Oil & Gas service industry.
- Knowledge and use of computerized PSCM systems (e.g. Star, SAP, TM Master, Maximo, etc.)
- Able to manage time effectively, prioritise tasks and achieve set targets

What can we offer you?

OOS International offers a high level international work environment with exciting challenges for students, young professionals and experienced people passionate about the offshore oil and gas and renewable energy industry. Working for OOS International means being part of a dedicated team where every member strives for the best team results.
