

## HSEQ Officer (24-40 hours per week)

Location: Serooskerke (W), The Netherlands | Position Level: Experienced

Publication date: 28-03-2024

### The position

Are you passionate and enjoy working on complex worldwide projects in the Oil & Gas industry? Do you love to work in a dedicated and dynamic team striving for the best results?

Then you might be the Health, Safety, Environment and Quality (HSEQ) Officer we are looking for!

### Duties & Responsibilities (but not limited to):

The HSEQ Officer is responsible for coordinating an effective and efficient HSEQ service for the units and supporting the HSEQ Department, as well as shore-based departments.

The HSEQ Officer ensures the development and implementation of organizational policies and regulations to ensure that the organization and its employees comply with health, safety, environmental, and quality-related issues, including their working environment.

#### Amongst:

- Assisting units with daily HSE matters in collaboration with onboard Safety departments;
- Provide updates to the shore-based departments and vessel management on legislative, class rule, and industry standard changes;
- Analyzing accident/incident data and actively participate in enhancing the Safety Management system;
- Conduct onshore and offshore audits, provide audit reports and follow up on action items;
- Develop new procedures, manuals, and working instructions for HSEQ improvement;
- Act as interim HSEQ Manager during his absence.

### Education/Experience/Requirements

- Minimum Bachelor degree in Maritime or relevant areas;
- Internal or lead auditor competence is preferred;
- Excellent skills in spoken and written English;
- Knowledge of relevant international and local legislation, flag state, class rules and ISO standards;
- Experience in shipboard management and/or HSE related activities within the shipping or offshore oil and gas industry;
- Recognition of relevant experience is acceptable;

- Computer literate and familiar with Microsoft Office Packages including database applications;
- Willing to travel on regular basis;
- Can act as Designated Person Ashore /Company Security Officer (CSO)

### What can we offer you?

- ✓ A varied, international working environment with a lot of responsibility.
- ✓ A dedicated team where every member strives for the best team results.
- ✓ Prominent Career opportunities.
- ✓ Competitive salary.
