

(Junior) financial controller (32-40 hours per week)

Location: Serooskerke (W), The Netherlands

Publication date: 02-09-2024

The position

Are you passionate and enjoy working on worldwide projects in the Oil & Gas industry?
Do you love to work in a dedicated and dynamic team striving for the best results?

Then you might be the (junior) financial controller we are looking for!

Duties & Responsibilities (but not limited to):

The role of the (junior) financial controller is to undertake all aspects of the financial management, including corporate accounting, financial reporting, budget and forecasts preparation, as well as development of and ensure compliance with internal policies and procedures. The role is also assisting the financial controller and treasurer to ensure efficient financial management.

Amongst:

- Financial reporting of our projects;
- Assisting the financial controller with managing of all financial records (including records of entities abroad);
- Preparing internal monthly financial reports;
- Assist with preparation of (consolidated) annual reports.

Education/Experience/Requirements

- Minimum Bachelor's degree in Finance or relevant areas;
- Proficiency in spoken and written English;
- Relevant working experience in accounting/finance is an advantage;
- Excellent skills in accounting software user and administration;
- Computer literate and familiarity with Microsoft Office Packages including database applications.

What can we offer you?

- ✓ A varied, international working environment with a lot of responsibility.
- ✓ A dedicated team where every member strives for the best team results.
- ✓ Prominent career opportunities.
- ✓ Competitive salary.
