

Junior Marine Superintendent (full time)

Location: Serooskerke (W), The Netherlands

Publication date: 19-11-2024

The position

Junior Marine Superintendent is a part of the Operations Team. Together with the Marine Superintendent, you will give the proper support to the various vessels and projects. As a Junior Marine Superintendent, you will travel a few times per year to the different vessels and projects for onsite support.

Does this sound like an adventure you would wish to undertake together with our operations team?

Then you might be the junior marine superintendent we are looking for!

Duties & Responsibilities (but not limited to):

Under the guidance of the operations team, you will take part in:

- Assisting in all the vessels' daily operations and client's requirements;
- Assisting in inspections, repairs and maintenance of navigation, communication, fire and safety and helideck equipment;
- Participating in control of certification and verification, including liaison with classification societies and other authorities as required;
- Ensuring that procedures for inspections, repairs and maintenance are followed;
- Participating in maintenance and improvement of formal documentation in co-operation with Shipboard Management;
- Evaluating non-conformities and initiating necessary corrective actions and verification, assisting with incident investigations where necessary;
- Monitoring and following up rules, regulations and industry guidelines for marine and offshore operations;
- Assisting with system improvements;
- Liaising with the HSEQ Department to ensure safety of operations and personnel through compliance with occupational safety and health regulations.

Education/Experience/Requirements

- Minimum 2-year experience as 3rd/2nd Officer (OOW) or other relevant experience in shipping;
- Excellent skills in spoken and written English;
- Excellent problem-solving abilities and sound judgement.

What can we offer you?

- Professional Development
- Mentorship Program
- Positive Work Environment
- Social and Team-Building Activities
- Competitive Salary
- Pension

OOS International

OOS International is a young and ambitious International Organization who manages dynamic positioned and anchored semi-submersible accommodation platforms called 'floatels'. Currently we have multiple ongoing projects such as in-land river cruise vessel and Offshore Mussel farm.
