

Purchaser (fulltime)

Location: Macaé, Brazil (on site)

Publication date: 20th June 2025

About us

OOS International owns a variety of advanced marine assets offering an exceptional level of support to the oil and gas industry, ranging from ship management, engineering, maintenance and operational services.

Job Description

We are seeking a highly organized and proactive **Purchaser** to support our global procurement operations. In this pivotal role, you will be responsible for sourcing, negotiating, and purchasing materials and services in line with company policies and project requirements—ensuring optimal quality, cost-efficiency, and timely delivery.

Key Responsibilities

- Manage procurement activities for offshore projects, including RFQs, purchase orders, and vendor coordination
- Identify cost-saving opportunities and optimize supplier performance
- Maintain strong relationships with vendors, suppliers, and internal stakeholders
- Ensure compliance with industry regulations and internal processes
- Track and report procurement metrics and performance indicators

Job Requirements

- Proficiency in MS Excel & MS Word and familiarity with computerized PSCM systems (e.g., Star, SAP, TM Master, Maximo)
- A degree, diploma, or equivalent experience in Purchasing. Additional Logistics experience is preferred
- Proven purchase experience in marine or oil and gas sector required
- Solid understanding of global supply chains and procurement best practices
- Excellent negotiation, communication, and organizational skills
- Ability to manage time effectively, prioritize tasks, and meet targets
- Fluency in English; additional languages are a plus
- Open to working in a multicultural team
- High safety awareness

What can we offer you?

- A dynamic international work environment
- Opportunities for career progression
- Competitive salary and benefits package
- A commitment to safety, diversity, and sustainability
